The goods and services shown below are those we provide to our customers. You may choose only the items you desire. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This is the basic charge to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of our basic overhead costs including taxes, licenses, utilities, and business expenses necessary to serve the public in a professional manner. Also included in this charge is the staff to respond to initial request for service, availability on a 24 hour basis; temporary shelter of remains (up to 96 hours); arrangement conference with the family or responsible party; securing, obtaining, preparing, and filing of all necessary certificates, permits, and authorizations; assistance in preparing and placing of obituary notices in Pittsburgh newspapers; preparation of all required paperwork planning the funeral; coordination of service with cemetery, clergy, crematory, and others as required; assistance to the family following the funeral. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING.....\$1,000

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing.
